

SHAIKH COLLEGE OF EDUCATION INAUGURATED INFORMATION COMMUNICATION TECHNOLOGY LAB (ICT)

Shaikh College of Education inaugurated ICT lab (Information & Communication Technology lab (ICT) in the college. The chief guest for the function was Dr. M.C. Yerriswamy, Associate Professor, Rani Chennamma University, Belgavi. Shri A. R. A Shaikh, Chairman, Shaikh Group of Institutions presided over the function.

Addressing the gathering Dr. M.C. Yerriswamy said that ICT have been at the heart of economic changes for more than a decade and plays an important role, notably by contributing to rapid technological process and productivity growth. Speaking about the importance of technology he said that there are several key proportions to information & Communication technology (ICT) education. The rising ubiquity of ICT has meant that we must monitor its role in education.

Shri A R A Shaikh in his presidential remarks said that ICT can improve the quality of human life because it can be used as a learning and education media. He further said that ICT competencies are increasingly important for everybody regardless of role. The labs are used to give learner access to information promote interaction, communication and enhance digital literary skills, he added.

The event was coordinated by Dr. Indira Sutar, Principal, Shaikh College of Education. The event concluded with vote of thanks proposed by Ms. Akshata B K.
